TERM LIMITS ~ Pinellas County Commissioners

Commissioners again voted down Term Limits by 4-3 (see article).

Voters passed Term Limits: In 1996, 73 % of Voters passed a referendum for term limits on County Commissioners.

But the rule was immediately challenged in court and never implemented amid legal wrangling through 2014.

FULL TEXT OF THE CHARTER AMENDMENT:

(New Language is underlined.)

ARTICLE III. - LEGISLATIVE BRANCH

Sec. 3.01. - Board of county commissioners; term limits.

(a) The legislative body of county government shall be the Board of County Commissioners. The Board of County Commissioners shall consist of seven commissioners, with four of the seven commissioners residing one in each of four county commission districts, the districts together covering the entire county and as nearly equal in population as practicable, and each commissioner being nominated and elected only by the qualified electors who reside in the same county commission district as the commissioner, and with three of the seven commissioners being nominated and elected at large. Each of the three at-large commissioners shall reside one in each of three districts, the three districts together covering the entire county and as nearly equal in population as practicable. The election, term of office, and compensation of members shall all be in accordance with general law.

(b) No commissioner shall serve more than two (2) consecutive terms on the Board. For purposes of this limitation, any period of service on the Board of less than eighteen (18) months shall not be deemed to constitute a term of service. Further, a commissioner who has served two (2) consecutive terms may thereafter serve additional term(s) only after a lapse of service in office of at least four years. No previous term or term that is in progress as of the effective date of this Amendment shall be considered a term of service for purposes of the limitations contained herein.

St. Pete's Road to Zero Waste!

St. Pete's goal is a zero-waste city by 2050. Recycling is a great help.

Glass containers

Aluminum and steel cans, steel jar lids

Milk and juice cartons, drink boxes

Plastics numbered #1-7 (no plastic bags)

Newspapers, magazines, mail, shopping ads, windowed envelopes

Mixed paper/cardboard

We're here to help. Learn about recycling in St. Pete and what can go in the bin at stpete.org/recycle. See if your property is eligible for recycling service or request a recycling bin by calling 727-893-7838.

Recycling helps reduce waste and turn materials into new products. Recycling helps conserve natural resources and prevent pollution.

MARIA'S PRIORITIES...

SCHOOL CHOICE gives every child the opportunity to learn in the best way possible for their unique needs. Whether that's at a standard zoned school, a charter school, a private school, or by being homeschooled. This includes having school transportation provided for every school type.

NUTRITION in schools must be healthier. We cannot expect our children to learn efficiently if we continue providing them unhealthy foods. I will advocate a "Meatless Monday" tradition with more nutrient dense and better quality fruits and vegetables for all schools and include a lactose-free meal option. Over 70% of our black children are lactose-intolerant according to a study by PCRM.org

COMMUNITY INVOLVEMENT for our children will teach them valuable life lessons by partnering with businesses and organizations who aim to help our children of all ages for when they graduate.

"OUR CHILDREN DESERVE THE BEST EDUCATION, THAT'S WHY I'M FIGHTING FOR PARENTS LIKE ME WHO WANT THE BEST FOR THEIR CHILDREN. JOIN ME TODAY!"

-Maria

OUR SCHOOLS. OUR CHILDREN. OUR CHOICES.

Maria Solanki is a businesswoman, a wife, and a mom of an 8 year-old daughter in St. Pete. As an education and animal rights activist, she promotes school choice around the country to help give children the best quality education possible, and has traveled the world spreading these two ideas.

She spent 6 years living in India volunteering with orphanages and an organization that rescued trafficked girls. She educated these girls into starting their own businesses so they were no longer victims, nor just survivors, but activists who thrived.

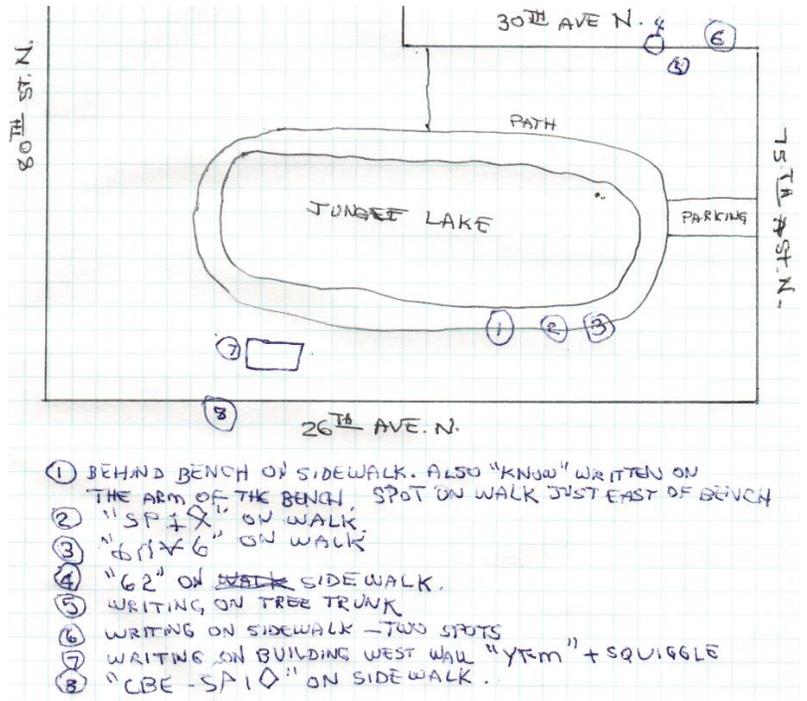

Maria has successfully run her own business of teaching swim classes in both Asia and in the USA.

She does this all while being legally blind. She does not allow her disability to be an inability and tries to share her positivity with others so that no matter what challenges come their way, we always have a choice to live a successful and meaningful life and to help others.

Oriental Fruit Fly Alert

[Florida Department of Agriculture](#) alerts Oriental fruit fly (*Bactrocera dorsalis*), has been found in Pinellas County. While these fruit flies do not pose a danger to people, they infest over 430 different fruits, vegetables, and nuts by laying eggs in these plants. The State Office is asking all residents within the quarantine zone (image below) to do two things. (J.T. Included)

1. Do not to move fresh fruits or vegetables off your property.
2. Pick up any fallen produce, double bag, tie the bag and dispose of it in the garbage.

FDACS is treating the areas with a bait and insecticide mixture and will continue monitoring.
